Application/Control Number: 10/774,405 Page 2

Art Unit: 2815

The following is an examiner's statement of reasons for allowance: The rectangular resin member having all of the outer leads of the signal leads protruding from one long side of the device in combination with the associated component details recited in the claims of the instant invention, fail to be taught references cited of interested. Whereby said references such as Novacek et al and Lehner fail to show signal leads disposed on the main surface of a chip. Other references have dates that are not applicable. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to S. V. Clark at telephone number (571) 272-1725.
